CATERING DESIGN BY UNDERSTANDING PEOPLE

Stangard Design Solutions Ltd

Stangard Design Solutions are dedicated to developing and delivering innovative catering and retail solutions for you.

We enable you to offer your clients ergonomic designs that optimize profits within any operation.

We welcome the opportunity to become involved in any schemes you are considering.

In everything we do, our ethos is fundamental and helps define what we do and how we do it;

- Innovative
- Creative
- Dedicated
- Pro-active
- Conscientious

These are our guiding principles.

Since its founding some fourteen years ago, Stangard Design Solutions has become a leading force in the catering 'design and build' marketplace specialising in creating and bringing solutions to life.

Based in Gloucestershire with a regional office in Leicestershire, we work across all industry market sectors including B&I, retail and education.

Client Care

Small teams with one to one client liaisons..

We Nurture

Our clients' companies grow and mature with us..

Innovative Design

Dedicated creative design to suit every need..

Build & Delivery

Effective and efficient team to bring your vision to life..

Warranty & Aftersales

Offering full warranty and after sales support

We use the latest CAD and 3D visualisation software and partner all the leading equipment manufacturers to offer a wide range of services from design/project consultancy to complete turn-key solutions.

Whatever our involvement, we focus on providing a creative, design driven service that is reliable, sustainable and cost effective; one that is proven to benefit a client's commercial goals.

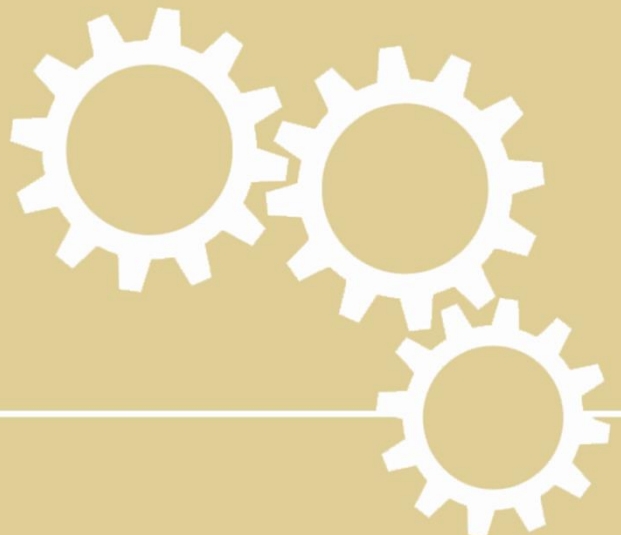

We work successfully with an extensive and diverse range of clients including most leading building contractors, Compass Group, Blackberry [RIM], Bentley Motors, Lloyd's Banking Group, Reading School, Birkenhead College and Chevron.

We are proud of our reputation within the industry and seek only to enhance this with every project completed. Stangard Design Solutions is 'Safe Contractor' approved and has 'Achilles Building Confidence' accreditation.

Services offered within the catering/ foodservice marketplace include:

- Equipment supply
- Brief development and feasibilities
- Design consultancy
- 3D design visualisation
- Interior design
- 'One' solution design and build

We search out the best of the season's trends so that you can always stay ahead, whatever your budget.

We'll transform your ideas into eye-catching digital perfection. We listen, we produce.

Whatever our involvement, we focus on providing a creative, design driven service that is reliable, sustainable and cost effective; one that is proven to benefit a client's commercial goals.

We understand that each client we work with is individual and you will get a sense of that when you work with us.
