ignite

Hickory's
London
By ceda member Vision

A monthly e-publication created exclusively by ceda for our members, Ignite represents a perfect opportunity to showcase your company's services.

Distributed to up to 15000 key decision makers, all of whom work operator/client side, Ignite is the perfect opportunity for ceda members and partners to showcase their projects in a super-slick, coffee-table style monthly e-publication. We've created this interactive guide to assist ceda members and introduce the fantastic, exclusive advertising opportunities only available to ceda Partners.

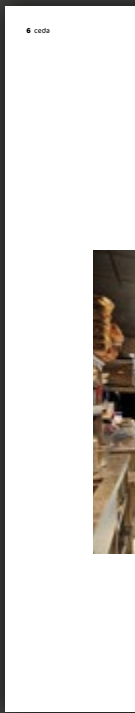

Highly interactive publication

Inside back cover

Exclusively available to ceda partners, our inside back cover is the perfect opportunity to promote your products or services to up to 15000 decision makers.

Supplier logos

For as little as £100, the supply partners involved in the projects have an exceptionally cost-effective opportunity to send these decision makers to the most appropriate section of their website.

Ignite will be circulated to up to 15,000 contacts, almost all of whom will have direct buying authority.

Advert options

Inside back page

An ideal opportunity in a prime location for any ceda Partner to promote your products or services in an interactive, highly engaging manner. Our Inside Back Cover is the only space available within Ignite, adding a sense of exclusivity to your advert.
